OFFICE TECHNOLOGY SOLUTIONS

HSM® Classic

80.2 document shredder

No Comparison! MADE IN HSM GERMANY Since 1971

- Automatic start/stop control.
- Standby operation without power consumption.
- Working width is 9".
- Crosscut models can cut up to approximately 5 sheets per run; Strip cut: up up to 12 sheets per run (see specifications).
- Rocker switch for on/off and reverse.
- Hardened solid-steel cutting rollers can handle occasional standard paperclips or staples.
- Powerful drive for high performance; motor with protected thermal fuse.
- Runs quietly.
- The tried-and-tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life.
