- power 230V / 16A
- wok 2500W power, 3200W booster, 314 mm diameter
- outside measurements 400 mm x 520 mm
- built-in measurements 370 mm x 475 mm
- glass thickness 6 mm
- total height 130 mm

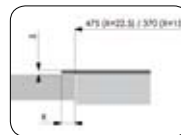

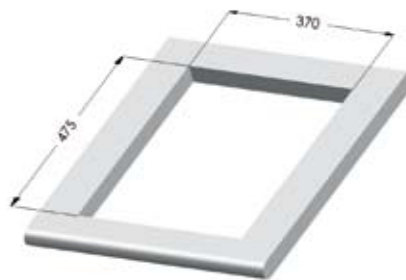

ref. 132.040.000

5 years warranty

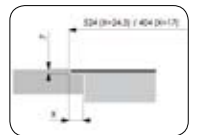

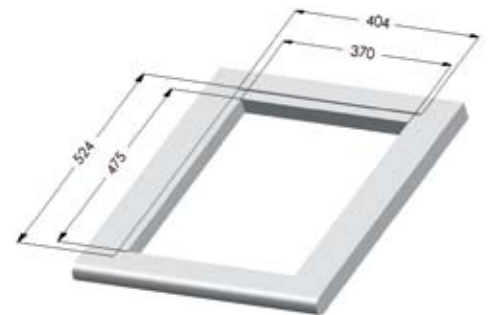

### COOKING PLATE

### BUILT-ON

### BUILT-IN

### AVAILABLE ACCESSORY

indu+ wok insert 314 mm

Two in one thanks to the wok insert:  
the "normal" flat induction hob is restored by  
means of the wok insert.  
Hence, this hob gives you double pleasure.
