

Be smart and get a Medium SMART Round Stainless Chafing Dish.

1A15302 ●

The Medium SMART Round Stainless Steel Chafing Dish w/ Stainless Steel Lid not only looks great, but because of its unique design is also cost effective. This unit can be flush mounted utilizing induction heat, or our magnetic electric heater, or canned fuel. The clad bottom distributes heat evenly minimizing hot spots that cause food to stick and burn. The self-closing lid has adjustable patented hinges that will prevent food from getting cold. In addition, the lid can be removed with one hand for easy cleaning. The lid also has air vents that reduce condensation build up that could drip on the food. This condensation is captured by the water recycling system allowing less refilling of the water pan, decreasing labor costs. The handle keeps cool preventing burns. The entire chafer is repairable, making this a quality investment that will last for years to come. The SMART Chafer can be used on an induction counter or as a drop-in. It has a capacity of 4.8 qt/4.5 ltr. **BASE NOT INCLUDED**

Specifications

Carton quantity	1
Dimensions (L x W x H)	14.75" x 17.25" x 7.5"
Weight	13 lbs.

Features
