ROHL's Promise ROHL LLC will provide free of charge, at its options, replacement part(s) or product (or a comparable alternative product) to replace those which have proven defective in materials or workmanship.

ROHL LLC will not assume liability for labor expended, freight cost or damages accruing from the use of the material purchased from us. If material is defective, the limit of damage is the price of the defective material. Proof of purchase (original sales receipt) from the original consumer purchaser must be made available to ROHL LLC for all warranty claims. The warranty is not transferable and is extended solely to the original purchaser of the product.

Warranty Exclusion This warranty is for normal domestic use only and excludes defect or injury caused by or resulting from misuse, abuse, neglect, accidental damage or improper installation. The lifetime limited warranty does not apply to the replacement of components where damage is caused by normal wear and tear. **As a special note, avoid all cleaning products that contain abrasives, ammonia, bleach and alcohol. They may damage the finish. Also, use only non-silicone caulking adhesive or plumbers putty for installation. Do not use lead based acidic curing adhesive or mastic when installing product. Silicone caulking may also degrade brass material. The use of Blue RTV silicone during installation will void the product warranty.**

General Disclaimer All warranties other than the Express Warranty herein contained, including but not limited to any implied warranty of merchantability or fitness for a particular purpose, are limited in duration to the applicable warranty period set forth above.

Some states do not allow limitations on how long an implied warranty lasts and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

Foreign Outlets Online One of the benefits of the Internet is that it has granted consumers the opportunity to learn about and purchase products from previously unknown foreign companies. Unfortunately, some foreign distributors who sell the foreign versions of ROHL's products have promoted these products for shipment to the United States. Though prices may look appealing, these products are not designed to be installed in American homes and significant problems may result. ROHL ensures that its products meet American plumbing installation standards and have American plumbing code approvals. ROHL will not service, warrant, nor provide customer support for product purchased from foreign distributors.

Commercial Warranty ROHL warrants its products installed in a commercial application to be free from manufacturing defects for a period of one (1) year from the date of acquisition by original owner.

Outside Use ROHL products are suitable for outside use when proper care and winterization procedures are followed. However, due to the harsh environment of sun, wind, rain and snow, we do not offer a warranty for these types of installations.

Effective: 1/2015
