Dimmable (use TRIAC or ELV dimmer)
Light output - 1250 Lumens
Light color - 2700° K (warm)
Color accuracy - 90+ CRI
Power usage - 13 Watts
Wood grain will vary

MATERIAL & FINISH OPTIONS

Valeo part # 05 - 400 - AWL

When reaching such a distance with a fixture, it is important that it feels visually efficient in its form but is still far from fragile; inviting one to linger under it. The adjustability in the reach and the height of the shade makes it possible to custom fit the piece to its surroundings; an important characteristic for such a large piece.
