FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination for residential and commercial applications. Ideal for use as lighting in bathroom/lavatories, over hospital beds, hallways/corridors, stairways and utility areas.

ATTRIBUTES

Simplistic form is complemented by the dark, black-bronze finish which creates the illusion of wrought-iron mounted on a matching decorative support arm/canopy. The crisp, white diffuser provides a widespread uniform illumination. The Blackwell vanities are available in two, and three fixture configurations.

Includes 13W compact spiral 2700K fluorescent lamps (for energy efficiency, superior color rendering and long life) with integrated electronic 120V 60Hz GU24-pin base ballast (ensures no flickering and quiet operation without interfering with other home electronics).

For use with non-dimmable switches only.

All mounting hardware included.

LISTING

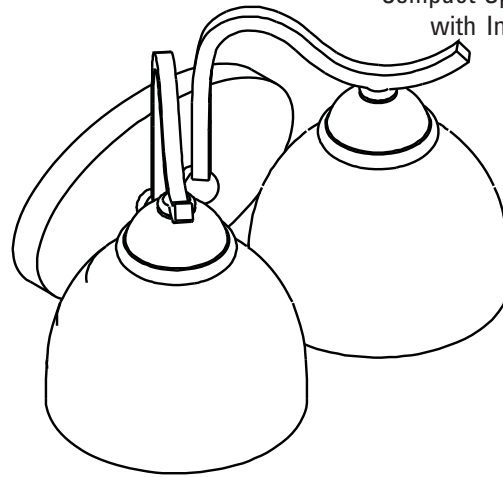

CUL listed to US and Canadian safety standards and suitable for damp locations. ENERGY STAR® qualified.

WARRANTY

Guaranteed for two years against mechanical defects in manufacture. (Excludes lamp)

Indoor Decorative Blackwell Vanity
