Mixer Attachment Pack with Sausage Stuffer Kit | Stand Mixer Attachment  
**Base model: KGSSA**

The KitchenAid KGSSA Mixer Attachment Pack with Sausage Stuffer Kit allows your stand mixer to be even more useful with this set of versatile attachments. Included is the Food Grinder that has both fine and coarse grinding plates. It can be used with cooked and raw meats, firm vegetables, dried fruits and cheeses and attaches to the power hub. The second attachment is the Slicer/Shredder that comes with 4 chrome-plated steel cones. It handles large quantities of vegetables, including potatoes for hash browns, shoestrings or scalloped potatoes. They attach to the mixer power hub. The Sausage Stuffer Kit teams up with the Food Grinder to prepare homemade sausages. The kit includes a 3/8 inch tube for small links and a 5/8 inch tube for bratwurst, kielbasa, Italian sausage, and polish sausage.
