# KitchenAid® 3.5-Cup Food Chopper

KFC3511

## Exceptional Performance

### Easy, One-Touch Operation

Press down either the CHOP or PUREE button, located the top of the unit, to process foods. Once the results are achieved, simply remove hand from the unit.

### Two Speed Operation

Two speeds offer the flexibility to CHOP or PUREE your food of choice. The food chopper is ideal for single serving sizes, chopped vegetables (garlic, peppers, etc.) or pureeing dressings and sauces.

### Wet Ingredient Adder

Utilize the no-spill, wet ingredient adder opening, located on the top of the unit, for incorporating additional ingredients while in use. Perfect for adding oil or broth to a pureed soup in progress.

## Enduring Design

### Comfort Design

This food chopper's operating components are located at the top of unit and designed to fit any hand position. Simple, sleek and user-friendly, this food chopper is a must have addition to the kitchen.

### BPA-Free Bowl

BPA-free bowl with lid offers two valuable qualities; it's for chopping and pureeing all foods and is dishwasher safe.
