DETAILS MAKE THE DIFFERENCE

Inset Shelf

The optional shelf is notched at the corners so it stays in place, while providing added support and stability to the table. Offers easy access to storage & frequently used accessories.

Gusseted Corners

Reinforced corners add durability and a professional look to your table.

Accessory Outlets

Located at both ends of the table providing versatility for accessories.

Wave Design

The wave design makes adjusting your backrest quick and easy.

Paper Roll Holder

FREE Paper Roll Holder is now standard on all PowerLine™ Tables! (Paper roll not included)

RECOMMENDED ACCESSORIES

Table Extender

Extend your table length to 78" or even 84". Remove and store when not needed.

QuickLock™ Face Rest

Double articulating joint provides superior access with optimum comfort.
