

# AURORA™

*professional line*

A lightweight wood table specifically constructed for the massage professional whose practice requires constant travel. Designed to withstand the rigors of everyday use, the Aurora™ offers ultimate client comfort, and the strength to last an entire career. Truly a flawless investment for any massage therapist.

Shown in Bluegrass upholstery with optional QuickLock™ face rest platform & Aero•Cel™ face rest crescent

## specifications

- PATENTED INTEGRAHINGE™**  
Oakworks® exclusive design integrates the attachment of the bracing system to offer incredible strength and lighter weight that no piano hinge can match.
- ENGRAVED WOODEN KNOBS**  
Low profile design with built in grip band is easy to use and won't get in your way like plastic knobs.
- UNILOCK™**  
Super quick, easy to use closure system folds that out of the way for shiatsu and won't rip your sheets or mark your floor.
- ULTIMATE ACCESS END PANEL & SHIATSU CABLES**  
Our unique system allows you to get your legs under the table at the height you work, offering the best access on the market. The shiatsu cables allow the table to lie flat on the floor.
- CABLE LOCK SYSTEM**  
Our system uses stronger cables than anyone else, designed not to stretch or fail even under the heaviest loads.

# UPHOLSTERY

## TERRATOUCH™

One more investment in wellbeing. For years, vinyl, also known as polyvinyl chloride, has been the standard for massage tables. OAKWORKS® is proud to bring you our TerraTouch™, a revolutionary, earth-friendly upholstery fabric, made from environmentally friendly, PVC-free premium polyurethane. We designed it with the best features for bodywork. And, only TerraTouch™ comes in this great palette of eye-pleasing colors.

- a soft “hand” for ultra comfort
- a great memory to retain its shape
- excellent abrasion and tear resistance
- high oil and cold endurance
- easy to clean

## ULTRATOUCH™

Ultra-luxury. UltraTouch™. Environmentally conscious, premium polyurethane. It's even softer than TerraTouch™, yet holds its shape better than any other upgraded upholstery on the market. Treat yourself and your clients to the nurturing softness of UltraTouch™. The enticing price will encourage you to say yes. Order it with our Aero-Cel™ padding for a plush elegance that is sure to ease your clients into a special state of bliss.

# PADDING

## AERO•CEL™ PADDING

New technology in padding options now gives you 4" or 6" of more resilient support with a softness that conforms to the body's curves. Offering the most relaxing and nurturing environment possible, it's an investment that will return long years of "ahhhhs". Weighs 4-5 pounds more than semi-firm.

## PLUSH PADDING

Our traditional 3" multi-layer, super supportive multi-density system for optimal comfort and durability. Its perfect balance of softness and support make this padding ideal for bringing relaxation to clients everywhere. Weighs 2-3 pounds more than semi-firm.

## SEMI-FIRM PADDING

2 1/4" multi-layer, multi-density system for firmer support and comfort with easier portability. Designed for the best balance of lighter weight and comfortable support. We use semi-firm on our portable tables to determine their published weights.

## FIRM PADDING

1 1/2" multi-layer, multi-density system provides firm support. Weighs 1-2 pounds more than semi-firm.
