

When the Moment Matters, the *Glass* Matters

Luigi Bormioli is built on a rich heritage of Italian glassmaking. The company today continues this legacy of artistry and expertise, with an eye on developing products that will last for generations to come. For Luigi Bormioli, innovation is a state of mind.

The Bormioli family has been dedicated to the art of glassmaking for some 25 generations. Mr. Luigi Bormioli founded the company as it is known today in 1946; the business remains family owned, operating out of Parma, Italy.
