Arctic Bay

Grise - Arviat - Rankin

Refreshing as a breeze carrying the scent of pine needles, rugged as snow-capped mountains, ARCTIC BAY exemplifies the free-spirited youthful outlook and independent attitude favored by modern homeowners, designers and contractors. This robust ceramic stakes its claim with native earthen colors, boldly structured surfaces and distressed edges. Three versatile sizes and veined colors certainly encourage creativity.

Floor: Grise 12"x12"

Modular effects and cut-from-the-tile SBN significantly increase layout options on floors or walls. ADA-recognized COF adds a measure of assurance when slip resistance is a concern. Let your imagination take you away to uncharted design territory with Arctic Bay's fresh, updated take on stone. Easy to clean, easy to install, easy to love.
