

Campione
glazed porcelain stoneware

Campione

Exhibiting the true heart of a champion, Campione takes travertine-inspired tile to a whole new level. The smooth surface belies the three-dimensional impression of crater-like depressions and lava-like flow that bring a dramatic feeling of movement to this glazed porcelain series.

The large-scale field tile plus three modular iterations bring warmth and presence to areas of congregation, whether public or private. Three rich, neutral colors are beautiful in a great room; blissful on a spa wall; welcoming in a hospitality lobby. Plus, the simple maintenance routine requires no harsh chemicals or repeated cycles of sealing and stripping as does natural travertine.
