

PIPE AND DRAPERY BACKGROUND SYSTEM

- Durable wheeled poly case available to transport drapery panels.

- Durable nylon carrying bag available to transport uprights and crossbars.

BASE PLATE CART

- The Base Plate Cart (BPC-46) is designed as a utility transport for steel base plates and pinions for pipe and drapery units.
- Constructed of rigid steel with arc welds, the BPC-46 has dual inner partitions allowing a smaller number of plates to be vertically organized and easily accessible in the cart.
- The upper shelf is designed to hold the pinions.
- The BPC-46 rolls on two black rigid 6" casters in the front and two swivel 6" casters with brake in the rear.
- Featuring a sturdy black powder coated finish, the BPC-46 offers a utilitarian solution for managing base plate and pinion inventories.
