

**EURO DELUXE LECTERN**

Da-Lite is pleased to expand its line of presentation products with the addition of the Euro Deluxe Lectern. The Da-Lite Euro Deluxe Lectern is a stylish and versatile solution for any speaking engagement. With its standard gooseneck halogen lamp, the generous reading surface easily accommodates literature and electronics. The frame has a satin black powder coated finish, and the black velour dress panel is compatible with Velcro®, making the addition of logos or signs simple. Power is supplied by a detachable electrical cord, and an adjustable gooseneck microphone is available as an option. The refined design of the Da-Lite Euro Deluxe Lectern makes it the perfect choice for educational, hospitality, governmental, conference and meeting center applications.

# LECTERNS

## EURO DELUXE LECTERN

Adjustable gooseneck lamp and dual XLR jacks for the optional microphone offer presenters ample room for materials.

Black velour dress panel is Velcro® compatible for attachment of signage.

Power is provided through an electrical cord with a universal power supply.
