

# CAMELOT

Camelot Arthur Bronze Deco/Dot 4"x4"  
Camelot Arthur Bronze Liner 1"x12"

## DESCRIPTION

Inspired by the fabled European castle and court of Camelot, this new metal series recalls its fantastic splendor as well as the idyllic beauty of its natural surroundings.

Available in coordinating 4"x4" deco, 2"x2" insert/ dots, and 1"x12" liners, this magical series is simply charming.

## APPLICATIONS

Suitable for interior and covered exterior vertical applications only. Product may be installed in wet areas such as shower walls and backsplashes where it is not completely submerged. Not recommended for wet applications such as pools, water features, or areas where product may be exposed to harsh chemicals. Use of waterproofing membrane and proper installation required. Non sanded grout is recommended during installation as sanded grout may scratch and dull the surface.

## CARE & MAINTENANCE

Clean with a mild soap solution and a clean cloth. Keep area dry whenever possible. Do not use abrasive cleaners or sponges. This product contains metal and is subject to oxidation if the surface becomes scratched and is exposed to any type of moisture.
