

LASTRA 8 RECTANGULAR

Mounting	: Ceiling pendant
Type of ceiling pendant	: Suspension cable
Lamps description	: 8 x 35W GU4 MR-11
Environment	: Indoor
Finish	: Glass
Technical description	: Suspension fixture providing direct light. Lamp body formed by a rectangular, 0.6 in. transparent tempered glass sheet. 8 pressed glass diffusers with high-temperature resistant white finish. Injection-molded transparent polycarbonate (UL-94 V2) diffuser support and white PPS (UL-94 V0) lamp-holder. Aluminum attachment grid. Power is distributed to the light sources through two silkscreening processes: deposition of a highly conductive silver paste, followed by deposition of a protective ceramic paint. Electronic transformer secured to sheet. 4 steel suspension cables and 4 mechanical, die-cast, polished aluminum ceiling fittings, with built-in quick adjustment cord. 30% fiberglass reinforced polyamide (UL-94 V2) wired ceiling fitting; painted gray, injectionmolded polycarbonate (UL-94 V2) rose

ELECTRICAL

Transformer availability	: Included
Transformer mounting	: Integral
Emergency	: Without
Switching	: Dimmer not included
Voltage (V)	: 12

PHYSICAL

Supply	: polarized double insulated PTFE cord
Construction material	: Glass
Weight (lbs)	: 110
