**TUTTO®
Storage on Wheels Tote Bags**

Four wheels on the outer edges/corners provide a natural, no-tip balance. Weight is distributed over the four wheel base for easy pulling with no back strain. The patented fiberglass frames are strong enough to hold an additional 100lbs. on top without losing balance. Exterior is made from durable nylon that is tear and puncture-resistant. Double zipper top opening provides easy access to contents. When in use, remove the puller bar and fold to 3" for compact storage.

CF model bags contain over 30 versatile pockets for storing tools, supplies, and personal effects. These bags also come with two removable storage pouches, two pieces each of removable horizontal and vertical dividers for customizing the main interior compartment, and a rear accordian file that can hold paper/thin art boards up to 12" x 17" and oversized pockets for photographs or accessories.

MA model bags feature an empty main interior compartment with straps for securing bulkier items such as art pads, canvas, small folding easels, sewing machines, etc. These bags also have two side pockets, two rear zippered smaller compartments, and a front panel (with storage pockets) that zippers on three sides allowing accessing to the main compartment from above or face on.
