Projection gray surface

### Elemental Frameless Dry Erase & Projection Surface

- Think outside the frame with Elemental, the surface that does it all!
- Mounting securely as a frameless, minimalist magnetic dry erase board, Elemental is available in a gloss white or matte gray projection finish.
- Gloss white Elemental is ideal for cubicles, offices, and other personal workspaces, while the matte gray projection surface is a perfect addition for conference rooms, training rooms, or any audio/visual environment.
- Rounded corners add style and eliminate sharp corners.
- Made from porcelain coated steel alloy, Elemental is engineered with a high aluminum content for flexibility, making it ideal for curved walls or installation on pillars.
- When unrolled, the lightweight surface lays flat and stays flat, and features a self adhesive backing for easy installation.
- Elemental boards larger than 2'H x 3'H ship rolled, and sizes up to 4'H x 8'W ship UPS to save you money.
- 50 year guarantee. TAA compliant.

Ultra slim profile virtually disappears on the wall!  
Lightweight for easy handling and installation.

Ships rolled via UPS to save you time and money!

Self-adhesive backing for easy installation.
