

## X5 & X5 Lite Sliding Storage Solutions

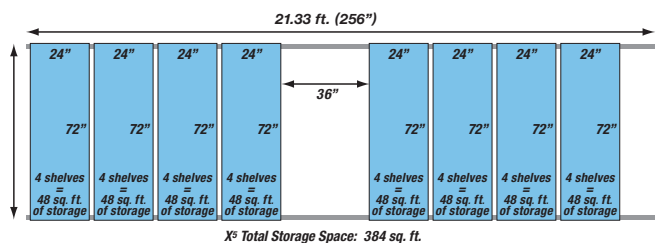

- Greenguard® Certified for Children & Schools
- Available in 2 shelf depths: 18" and 24"
- Available in 4 shelf widths: 36", 48", 60" and 72"
- Multi-row storage system is easily customizable
- Increase usable space 40-70% by converting aisles into more storage space
- Steel units slide effortlessly on our exclusive patented track system
- Tracks are not bolted to the floor
- Allows for maximum access from all 4 sides of shelf
- "Step-on/flip-up" safety brake comes with each roller assembly, allowing units to lock in place while loading and retrieving
- Open wire design maximizes visibility and airflow
- 800 lbs. weight capacity per shelf, evenly distributed
- See third page for X5 Accessories

▲ Diagram **ABOVE** shows how 5 standard shelf units need 22' of space with aisles in between each unit.

▼ Diagram **BELOW** shows how 5 X5 shelf units now take up only 14.75' of space, with just one aisle space needed.
