**Be sure to turn off the circuit breaker before installing this fixture.**

**It is recommended that this fixture be installed and hung by a licensed electrician.**

## Mounting Instructions & Diagram

1. Disconnect power to the outlet box before installation.
2. Locate and loosen the two phillips screws (B) to release fixture from the crossbar strap (A). Turn fixture counter-clockwise to release. **NOTE: DO NOT REMOVE THE SCREWS COMPLETELY.**
3. Mount the crossbar strap (A) to the outlet box.
4. Connect the wires from the fixture (C) with the wires in the outlet box according to generally accepted electrical standards.
5. Align the notches in the fixture (C) with the screws (B) loosened in Step 2. Push the fixture up and turn clockwise to install it on the crossbar strap (A).
6. To secure the fixture to the crossbar strap, tighten the two screws (B).
7. Install the bulbs (D), by pushing them straight into the sockets (E).
8. To install the glass (G), put it on the fixture (C) and turn each socket (E) outwards. This will allow enough room for the three-prong spanner (F) to be put in place. Secure spanner (F) with the aluminum stem (H) by screwing the stem (H) into place.
9. Complete the fixture by screwing the finished glass cover plate (J) onto the aluminum stem (H).

## ASSEMBLY INSTRUCTIONS FOR

# Ceiling Fixture No. 5403/3

## Care Instructions

Use only a soft, dry cloth to clean. If necessary, a slightly damp, soft cloth can be used to spot clean. Do not use common household cleaners on lamps or fixtures, as the lacquer on the outside of the brass may be damaged as a result. Enjoy your new Holtkötter lamp.
