IMPORTANT INFORMATION

- IMPORTANT Install Telehook 3060 Wall Mount as per Installation Instructions.
- This product supports a maximum load of 50kg (110lbs).
- This product only supports displays with mounting hole configurations from 100mm wide x 100mm ļ high up to 600mm wide x 400mm high.
- The manufacturer does not accept responsibility for incorrect installation.
- Before installing this Telehook product, please check the display ventilation requirements with your LED/LCD manufacturer.

Step 1. Check Components

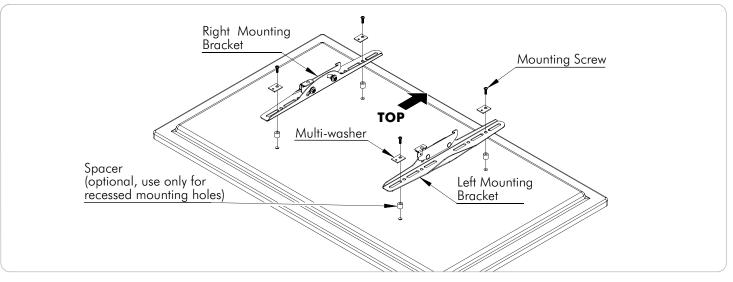

Check you have received all parts against the Component Checklist and Hardware above.

Step 2. Mounting the Wall Plate

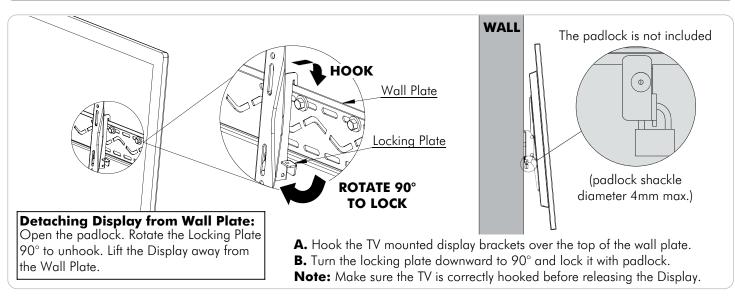

Tip: Use the built-in spirit level to ensure wall plate is horizontal

Step 3. Attaching Brackets to Display

Step 4. Attaching/Detaching Display to Wall Plate

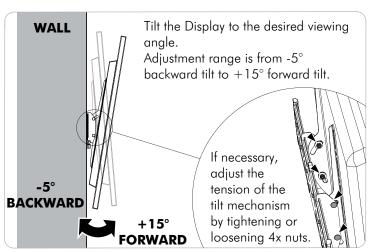

(2 people required)

Step 5. Cable Management

Slowly pull bottom of display away from wall and then attach or adjust cables on back of display. Slowly allow display to return to the wall after finishing cable management.

Step 6. Pitching Angle Adjustment

Installation Complete
