

TACTICS+ PANEL MOUNT INSTALLATION INSTRUCTIONS

Panel Mount Hangers (**PM**) allow TACTICS PLUS panels to mount to most panel systems.

Panel Mount Hangers include (2) hooks for the top of each panel and (2) tension springs for the bottom of each panel.

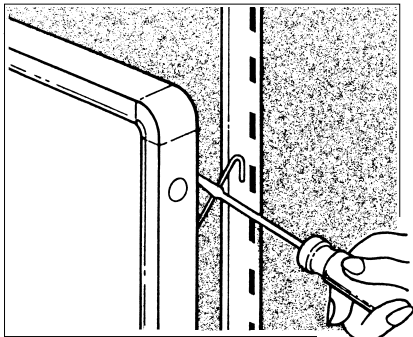

Screws to attach hangers included.

A

Attach Hangers to Panel •

1. Attach the top hooks to the back of the panel, one in each top corner. Position the hooks to align with the slots in the panel system standards. See illustration A.
2. Attach the tension springs to the lower corners of the panel to align with the slots in the panel system standards.

B

To Hang Panels •

3. Insert the top hooks completely into the slotted standard of the panel system. A screwdriver will assist in placing the hook into the slot, by placing the screwdriver between the panel and the hook. See illustration B.
4. Attach the tension springs to the standard slots to hold panel snug against the panel standards.
