Fold-N-Stow

Compact Folding Workstation

Fold-N-Stow

- The Fold-N-Stow folding workstation features a versatile design that makes it ideal for any space limited work area, including dorm rooms and cubicles.
- The small footprint makes it ideal for use with a laptop or tablet, with ample writing and storage space.
- Available in black or teak laminate, the compact desk folds for storage and can be used as a stand-alone cabinet.
- When unfolded, the Fold-N-Stow accommodates a CPU, monitor, mouse, and a printer, and includes three drawers for storage.
- Two top drawers measures 4"H x 9 ¾"W x 15"D.
- Bottom drawer (11"H x 9 ¾"W x 15"D) can hold a hanging file rack (not included).
- Silver powder-coated frame includes six locking 2" casters for easy mobility.
