

Porcelain Steel Markerboard

with Ultra Trim

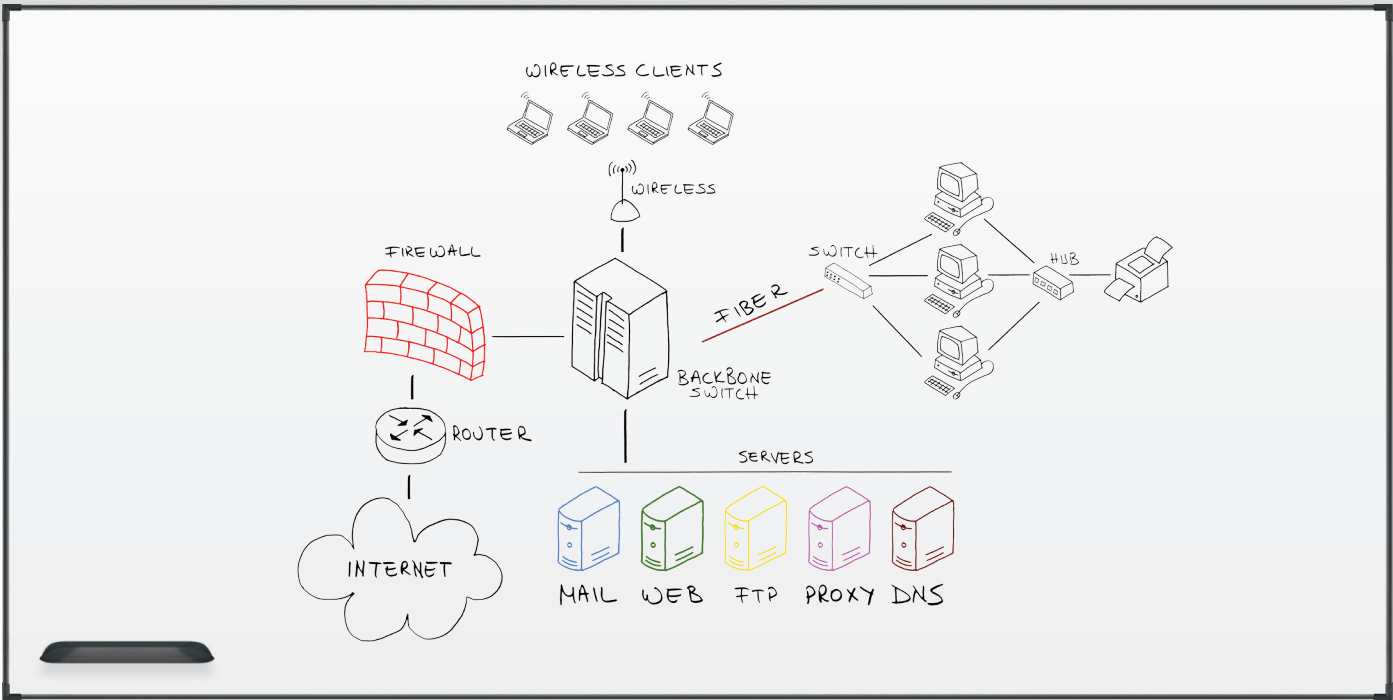

Ultra slim $\frac{5}{16}$ " anodized aluminum trim for a clean-lined board.

Includes matching magnetic accessory tray for markers and erasers.

Porcelain Steel Markerboard with Ultra Trim

- Magnetic porcelain steel markerboards are engineered for superior color contrast with dry erase markers.
- Low gloss porcelain dry erase surface provides superior writability and erasability with no ghosting. Reduced surface light distortion enhances visibility to provide optimum eye comfort.
- Steel surface is permanently laminated to a particle board substrate for stability and durability.
- Featured with Ultra Trim for a modern, clean-lined board. Trim is a low profile 5/16" anodized aluminum, available in silver or black. Includes matching Magnetic Q-Tray for markers and erasers.
- Class A Fire Rated board. A full test report copy is available upon request.
- Cradle to Cradle Certified^{CM} Silver, GREENGUARD Indoor Air Quality Certified[®] and GREENGUARD Children & Schools CertifiedSM. Certified boards incorporate material healthfulness, material reutilization, renewable energy use, water stewardship and social responsibility.
- Made in the USA. TAA compliant. 50 year guarantee.

Technical Specifications

- Multipurpose magnetic surface with superior writability and erasability for dry erase markers. Superior contrast and reduced surface light distortion minimizes glare for optimum eye comfort.
- A precisely balanced porcelain enamel ground coat is furnace-fused to both sides of 28 gauge (standard) or 24 gauge (custom) steel.
- The first furnace fuses a ground coat of enamel that is heat-softened at approximately 1450° F. The second furnace firing fuses a coat of enamel to the ground coat enamel. Color Fusion ceramic top coat is applied providing the desired surface color.
- A fade resistant waterproof resin glue bonds the porcelain to a moisture-resistant core and .005" polyester foil backer sheet. Also available with upgraded sheet aluminum backer. Custom sizes are available. Off-white is standard.
