

Alpha Cart

Shelves are easy to adjust and secure in place. Built-in cable management conduits keep cords under control.

Alpha Cart

- The Alpha Cart is a versatile, mobile, and modular cart ideal for document cameras, projectors, laptops, and other audio/visual equipment.
- Use as a mobile projector cart, easily transporting your A/V equipment from room to room. The small footprint ensures nimble performance even in tight quarters. Also functions as a compact mobile workstation.
- Frame includes 3" locking casters on a stable star base, and three independently height adjustable equipment shelves.
- Center post acts as a hub, allowing for the three included shelves to be positioned exactly where you need them. Cable management clips keep cords under control.
- Laptop/keyboard shelf is angled 7°, measures 15 3/4" x 11 3/4", and includes a mouse platform (6" x 6 5/8") that swivels beneath when not in use.
- Projector shelf measures 15" x 11" and includes an adjustable equipment security strap.
- Document camera shelf measures 15" x 13 5/8", includes an adjustable equipment security strap, and a retractable platform (13 1/2" x 8 5/8") for projection materials.
- All shelves include non-skid EVA pads.

Document camera shelf features security strap to secure equipment, and retractable shelf for presentation materials.
