

Westinghouse Gas Pressure Washers

Modern life was forever changed. For over 125 Years, Westinghouse has been part of your home. This tradition continues with a full line of safe, reliable and well built gas pressure washers.

Our goal was to design and produce robust cleaning machines and did so by utilizing quality components and superior engineering. This ensures years of worry-free operation.

WP2700 Gas Pressure Washer

We've taken years of expertise and created a powerful package:

- Durable, maintenance-free Annovi Reverberi pump
- Powered by 173cc Kohler, 4 cycle engine
- 30' Professional grade, high pressure hose
- Quick connect nozzle connections
- Easy access hose connections
- Compact, all steel, light weight construction
- Includes: .6 liter of oil, wand, hose, siphon hose for soap bottle and 5 precision spray tips
