

Move multi-purpose seating

Mix and match. It's your choice.

Make your Move™ chair whatever you want it to be. Upholster with the fabric, vinyl, or leather you love. Or choose non-upholstered Move chairs and create some eye-candy with 144 possible seat and back color combinations.

The Move chair moves with you.

As you sit, you move. And that's what makes Move such a pleasure to sit in. Designed to move, mold, and conform to practically every body, this lightweight stacker can go anywhere. Move is tough enough to support up to 300 lbs. and is wonderfully durable.

Stacked with versatility.

Pull up a few Move chairs for an impromptu get-together. Or gang together in neat, tidy rows in a presentation area or training room. When everyone's gone, Move chairs conveniently stack 5-high on the floor, or up to 10 on the optional dolly.

Comfort, plain and simple.

Move has comfort you feel, with ergonomics hidden from view. Inside the upholstered seat cushion is something we call Live Seat™ technology—a unique system of flexors that change shape in response to your moves, supporting you in all the right places.

Abbreviated Statement of Line

Whether you design them, manage them or work in them, we can help you create high performance, sustainable work environments. We study how work gets done and how great spaces can help. Those insights are embedded into every product and service we offer. Our interior architecture, furniture and technology solutions help organizations build their business, reflect their brand and support their culture.

We're unique from everyone else in our industry, in that we offer products and services founded in a research methodology that focuses on the user, and how they really work.

We are committed to maintaining our leadership role in terms of sustainable responsibility, and we are equally committed to the customers and designers that we work with. Our job is to make your job easier. **Our passion is helping you Love How You Work®.**

Global Dealer Network

With a network of over 800 experienced dealers, we can help you create high performance, sustainable workspaces, anywhere in the world. Our network offers you local expertise with global reach. Whether your project is across town, across the country, or across the ocean, our dealer network will coordinate the logistics so you don't have to. It's local expertise with a global reach.

Steelcase and Dealer Services

Our extensive range of services can help you through all of the phases that a high performance environment evolves through: Measure. Explore. Plan. Provide. Manage.

Measure—helping you know if your workplace is keeping pace.

Explore—helping you link your business goals with the best workplace strategy.

Plan—helping you find a solution that addresses your needs.

Provide—helping you every step of the way, from project management to move management.

Manage—helping you maintain an effective space for today and tomorrow.

Warranty

Steelcase and your Steelcase Dealer are totally committed to providing you a great experience and great products. We back that up with one of the industry's best warranties and problem resolution process that ensure that any problems that arise get addressed quickly.

Move has **SCS Indoor Advantage™ certification** for indoor air quality. This certification helps the Move chair contribute toward earning a LEED point for low emitting furniture. Move is **Cradle to Cradle™ certified** and **level™ 1 certified to BIFMA e3 standard**.

When your Move chair is no longer useful to you, the **Steelcase Environmental Partnership** program will help you responsibly take it to the next phase in its Life Cycle—be it resale, refurbishing, charitable donation or recycling.

Move is 99% recyclable at the end of its life. It fully disassembles for recycling in about 5 minutes by removing 7 screws.

Visit steelcase.com for more information.

As part of our commitment to sustainability, this brochure was created using an on-demand printing process, enabling us to digitally print materials only when necessary.

For high resolution images of these products and more, contact your local workplace consultant or dealer representative.

Love how you work.®
