

Raindance Mini Pendant Butternut

Like a freshly cut stalk of bamboo, our Raindance pendant offers a striking angled rim, allowing more light while creating a distinctive ambience. Raindance's long, cylindrical shape is further enhanced with incised bands hand-carved in the clay. By itself or in groups, with your choice of glaze, Raindance brings a unique look to your décor.

Raindance Mini Pendant - Butternut

item # LVMP09-BT
