

## ceramic lighting fixtures

A19, Inc., Manufacturer of handmade ceramic lighting fixtures.

## Aegina Corner Sconce

Like a classic bowl, Aegina is a marvel of simplicity. This sconce provides primarily up-light, with just a little down-light at the bottom. This corner sconce comes in unfinished bisque, and can be customized to your needs. Also consider our coordinating Aegina Wall Sconce (or Gran, Gran ADA, or Great versions) and the Thera Pendant.

## GRAN AEGINA CORNER SCONCE item # 304CNR Dimensions: 10"w x 6"h x 6 3/4"d Available Colors:
