

Warranty Information

EQUIPMENT LIMITED WARRANTIES

The Company warrants that all new equipment is free of manufacturing defects in workmanship and materials, subject to the terms below. This warranty becomes effective at the invoice date of the original purchase. Parts repaired or replaced under the terms of this warranty will be warranted for the remainder of the original warranty period.

This warranty applies to equipment:

- While equipment remains in the possession of original purchaser and proof of purchase is demonstrated
- If claims are made within the part-specific warranty period.
- If upgrades are made as required by the Company
- This warranty does not cover damage to the finish of any equipment nor shipping charges, customs clearance fees (if applicable), or any costs incurred in installing repaired or replacement parts shipped under the provisions of this warranty.

This warranty shall be null and void if:

- Springs on spring-loaded equipment (Reformers, Cadillacs, Chairs, Tower Trainers™, Wall Units, Spring Walls™, etc.) are not changed every two (2) years
- All safety, maintenance, and usage guidelines as specified in the appropriate equipment manuals are not followed
- The equipment is used for any other purpose other than as intended
- An At Home SPX® Reformer is used in Pilates studios, fitness or health clubs, gyms, spas, or any other type of commercial fitness facility offering fitness services to the public
- The equipment has been subjected to accident, misuse, abuse, improper service, or any modification not authorized by the Company

At its option, the Company will repair or replace warranted parts, provided that any such failure is due to a defect in workmanship or materials and provided that such failure occurs and is reported to the Company within the part-specific warranty period.
