LR19AT STORAGE RACK WITH TOOLS

**Enclume hearth racks are the ultimate in
Quality, design, strength and function.
Congratulations for owning one of the finest Storage racks made.**

**WARNING:
READ ALL OF THE INSTRUCTIONS BEFORE ASSEMBLING AND USING
YOUR RACK.**

Enclosed you will find everything needed for the assembly and use of your hearth rack. Two people make assembly and installation easier. The parts and hardware included are:

Hardware included:

- 4 - 3/8" x 1" Button Head Screws
- 2- 3/8" x 5/8" Button Head Screws
- 4 - 3/8" Nut
- 1- 7/32" Allen Wrench

Components included:

- 2-Legs
- 2- Crossbars
- 2- Curved Uprights
- 1 - Tool Bar
- 1 - Broom 1-Shovel 1-Poker
- 3 - Fireplace Tool Hooks

ASSEMBLY AND INSTALLATION INSTRUCTIONS

- 1) Using both of the legs spaced equally apart line up the holes in the crossbars with the holes in the legs.
- 2) Setting one of the uprights on top of one leg, (crossbars will be between leg and upright) line up the two holes and attach with 2 of the 1" button head screw and 2 of the nuts. Leave screws finger tight.
- 3) Locate the tool bar, slide one of the "U" shaped ends over the outer portion of the attached upright, leave loose at this time.
- 4) Repeat process in step number 2 with the other upright. Before connecting the upright to the leg and cross bar, tip the top of the upright in towards the other upright and slide the other end of the tool bar over the upright. Attach the upright leaving screws finger tight.
- 5) Square - up rack and tighten all screws.
- 6) Locate the Tool bar hooks and place over the tool bar.
- 7) Using the two 3/8 x 5/8 button head screws adjust the height of the tool bar so, when tools are hanging they are not touching the floor. Tighten screws and hang tools.
- 8) All of our hammered steel racks are finished with an industrial wax designed to give years of protection to the rack. Cleaning is easily done with a damp cloth. Dry thoroughly after cleaning. If a touch-up is ever needed we recommend a "Pledge" like wax product.

It is important that your rack is assembled correctly. If the unit is assembled or used incorrectly, it could become unstable and collapse, possibly causing injury.

This product is warranted to be free of material defects for a period of one year from the date of purchase. Customer's exclusive remedy for breach of this warranty shall be the repair or replacement of the defective product when delivered, postage prepaid, to Enclume Design Products, Inc. at 24 Colwell St. Port Hadlock, WA. 98339.
