The maximum weight limit for this product is 350 pounds per seat. (158.76 kg)

This product is intended for home use and not intended for commercial use.

Estimated assembly time is 20 minutes using one person to assemble.

Never push or drag your furniture across the floor (especially carpet).

**3**

Carefully cut open the bag with the compressed ottoman cushion(#3). This will expand as you are inserting it into the ottoman seat cushion cover(#2), making the insertion easy! Zip closed the ottoman seat cushion cover.

**4**

Place the Ottoman Frame top and attached sides (#7) on the floor. Screw in 4 support Rods (#5) into the holes in each corner of the Ottoman Frame top.

- 5** Slide the Ottoman Frame bottom and attached sides (#6) into the "U" clips on the Ottoman Frame top.

- 6** Attach four wood legs(#8) by placing their bolts into the embedded T - nuts on the base on the ottoman frame bottom(#6). Twist the legs until secure and straight.

**7**

Carefully attach Ottoman Liner (#1) over the assembled ottoman.

**8**

Velcro Ottoman Liner (#1) to the assembled ottoman.

**9** Slide Ottoman Base Cover (#4) over assembled Ottoman and Liner.

**10** Attach Ottoman cushion to ottoman with Velcro strips.

**RELAX** and enjoy your new ottoman!
