

Open Access Standard Lockers

#70024's with optional built-in combination locks (#77710) on top compartments and combination padlocks (#77720) on foot lockers displayed

OPEN ACCESS STANDARD LOCKERS

Constructed of 16 gauge steel, Salsbury 70000 series open access standard lockers provide a large open and ventilated space for clothing, uniforms and many other applications. Available in 18" and 24" depths, open access standard lockers are two (2) feet wide and six (6) feet high and are available in a gray, tan or blue powder coated finish and as unassembled or assembled units. Open access standard lockers feature a 13-3/4" deep upper shelf with a 12" W x 12-1/2" H x 13-3/4" D top compartment that includes a recessed hasp. Open access standard lockers also include two (2) 1/4" single wall hooks, a coat rod and a 14" high foot locker. The foot locker includes a hinged lid and a vented front panel with a padlock hasp for secure equipment storage. Built-in locks (#77710 for combination and #77715 for key) and padlocks (#77720 for combination and #77725 for key) are available as options upon request for the top compartment. Combination and keyed padlocks (#77720 and #77725) are available as options upon request for the foot lockers. For units with front door panels, see gear lockers on pages 26-27.
