

# Specialty Lockers

#77709's stacked two (2) high displayed

## BASKET LOCKERS

Constructed of 12 gauge steel frames that are powder coated black, basket lockers are an excellent addition to industrial settings, factories, garages and recreational facilities and are available as unassembled or assembled units. Measuring 40" wide and 31" high, basket lockers are 13" deep. Each basket locker unit features nine (9) 12" W x 8" H x 12-1/2" D zinc plated steel and wire baskets. Each of the individual baskets contains a hasp and can accommodate padlocks (#77720 for combination and #77725 for key) - see specialty locker options on page 31.

## BOX STYLE WALL MOUNTED LOCKERS

Constructed of 16 gauge steel, Salisbury 77700 series box style wall mounted lockers are available with vented doors (#77704) or window doors (#77714) and include four (4) 12" W x 12" H compartments and a 45" W x 3/4" diameter silver finish coat rod. Box style wall mounted lockers are available in a durable powder coated gray, tan or blue finish and as assembled units only. The back of the unit has key holes for ease when mounting. Box style wall mounted lockers include a padlock hasp that can accommodate a padlock (#77720 for combination and #77725 for key). Box style wall mounted lockers with vented doors can also accommodate a built-in lock (#77710 for combination and #77715 for key). Custom engraved name / number plates (#77760) for box style wall mounted lockers and custom window engraving (#77767) for box style wall mounted lockers with window doors are available as an option upon request - see specialty locker options on page 31.

#77704 with optional padlocks (#77720) displayed
