

LINE-VOLTAGE PENDANTS/SUSPENSION

Delancey Pendant

DESCRIPTION

Large cylindrical shaped fabric shade suspended from a round canopy. Glass diffuser provides a glare free wash of light. Black, satin nickel, and white finish options highlighted with satin nickel detail and clear cable; antique bronze highlighted with antique bronze detail and brown cable. Available in two lamp configurations: incandescent and fluorescent. Incandescent version includes four 100 watt or equivalent A19 medium base lamps. Fluorescent version includes electronic ballasts hidden inside the shade and can be lamped with either four 26 watt or 32 watt GX24Q-3 base triple tube lamps (sold separately). Fixture is provided with six feet of field-cutttable cable. Incandescent version dimmable with standard incandescent dimmer. Dimmable fluorescent version requires a dimmer that is designed to work with a dimmable ballast. Consult the specification sheet on our website, www.techlighting.com for the dimmable ballast used in this product.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.
