

LINE - VOLTAGE P E N D A N T S

Boda Pendant

DESCRIPTION

Utilizing the centuries old incalmo technique, two pieces of transparent glass have been fused to each other into a single cylinder with two distinct, vibrant sections. The glass is further celebrated by utilizing a Class Edison Lamp. Black, satin nickel, and white finish options include clear cable; antique bronze finish includes brown cable. Includes 120 volt, 30 watt medium base T9 Classic Edison Style lamp. Fixture is provided with six feet of field-cuttable cable. Dimmable with standard incandescent dimmer.

DIMMING

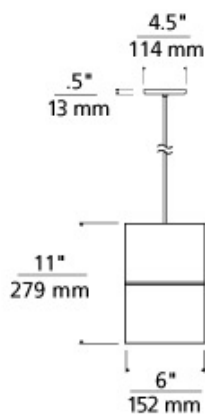

Dimmable with standard incandescent dimmer.
