

Revel Linear Suspension

DESCRIPTION

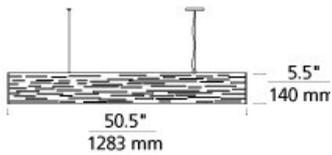

This dramatic linear suspension fixture captures light in motion. The sleek metal surface is laser-cut with horizontal slots which allow light to shine through the inner white diffuser. Optional wood end caps complement the design with a touch of warmth in an unexpected way. A bottom glass diffuser provides a glare free wash of light. Includes two 54 watt high output T5 linear fluorescent lamps. Has a maximum drop length of 8 feet. Ships with extra center power feed canopy and side post for applications with a centered junction box.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
