

54341WTOI
Beam ES 1-Light Wall Sconce

The **Beam ES** collection features low-profile wall lighting designed with versatility and energy saving technology.

Fixtures are constructed of stainless steel to allow for outdoor installation, and with the low-profile design, the **Beam ES** collection can also be used interior for corridors and hallways with [ADA](#) compliance. The use of fluorescent light gives the ultimate in energy savings and low maintenance operation. The **White** acrylic lens is durable and strong. The metal is finished in either **Stainless Steel** or **Oil Rubbed Bronze**. Also available in a LED version in the [Beam LED](#) collection.
