E20263-10
Hagen 1-Light LED Pendant

Subtle and sleek, Hagen suspends thin disks of beveled glass from barely visible strands of filament. Each disk holds a cool LED light that plays across the surface of the glass and culminates in a crisp ring of beveled luminescence. In single and four-light pendants, Hagen slips unobtrusively into contemporary, sophisticated settings.

Finish
Polished Chrome

Glass/Shade
Clear/White

Product Category
Single Pendant
