

Princess

THE BEAUTIFUL LACE BORDERS ENCIRCLING ALL THE PIECES IN THE DESIGN REVEAL A CLOSE RELATIONSHIP WITH THE ALL BLUE FLUTED PATTERNS. BOTH THE ACTUAL PIECES AND THE HAND-PAINTED PATTERN OF THIS DISTINCTIVE SERVICE WERE DESIGNED BY ARNOLD KROG IN THE 1880S, WHEN HE WAS ARTISTIC DIRECTOR OF THE ROYAL COPENHAGEN PORCELAIN MANUFACTORY. THE SERVICE HOWEVER WAS NOT ACTUALLY PRODUCED FOR ANOTHER HUNDRED YEARS IN 1978.
