Sq. Ft. per carton	26.18

This Shaw Laminate is warranted not to stain or wear through, will not fade as a result of direct sunlight or artificial light and will resist water damage under normal use conditions for 25 years.

This product is made with OptiCore™—Shaw's laminate coreboard that's strong, stable and moisture resistant.

This Shaw laminate is constructed using LocNPlace® technology, Shaw's single action glueless locking system which greatly enhances the speed and ease of installation while improving seam integrity.

This Shaw laminate flooring product meets GREENGUARD® indoor air quality requirements and is GREENGUARD Children & Schools Certified.

This Shaw laminate features a visual depicting multiple sizes of ceramic tile on each plank that can be installed to offer a variety of looks for your room.

This Shaw product can be installed above, on or below ground level.

This Shaw product is made in the USA.
