World Tour

Features

World Tour is a beautiful hand-scraped hickory product with a higher gloss level than most hand-scraped floors. It warms rooms with its rich grain and hand-scraped texture and is available in four luscious colors. The inherent strength and durability of hickory make World Tour a smart choice for your flooring needs.

- This product features ScufResist™ PLATINUM - Shaw's extremely wear resistant UV cured polyurethane finish with Aluminum Oxide. The new and improved ScufResist™ PLATINUM is designed to help resist household scuffing on hardwood floors.
- This hardwood is rated High with high color and character variation within each box. It is **imperative** that hardwood planks from various cartons be continually blended during installation to insure optimum appearance.
- This product can be installed above, on or below ground level
- Made by Shaw with pride in the USA
