

ASSEMBLY INSTRUCTION

MODEL : CAIRO END TABLE

Before you begin, Please follow them step by step.
 Be sure you have all parts before you start assembling-see hardware and part list.
Important - Keep all hardware parts out of reach children.

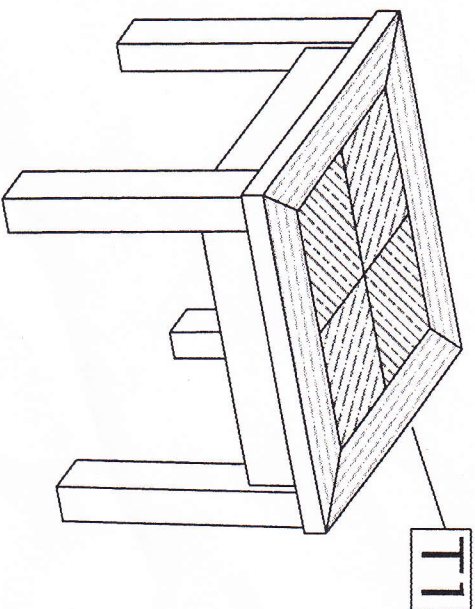

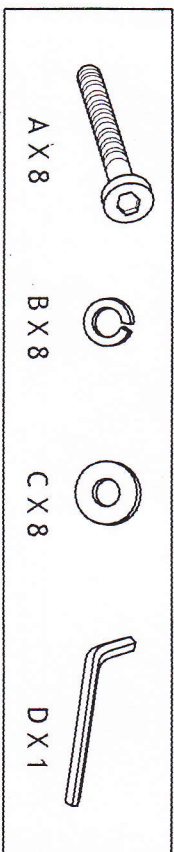

Step 1 : Put the TABLE TOP (T1) upside down.

Step 2 : Attach LEG (T2) to holes at corner of under frame and insert JCBB BOLT (A),
 SPRING WASHER (B), and FLAT WASHER (C), using the ALLEN KEY (D)
 provided to tighten.

Step 3 : Repeat the same step 2 for the other three legs, make sure that all the JCBB BOLT
 have been fully fastened.

Step 4 : Upright the table over carefully, your dining table is now ready to use.

Note : Assemble the product on a flat and soft surface, and use dry cloth to clean the surface.
