

## Why Buy Holsag?

---

- **Custom Color Matching-** Holsag accepts color samples and will make a custom color stool just for you! They can also customize the seat color of each stool.
- **Custom Sizes-** Holsag will cut the stool to any size (including half-sizes) between 21” to 31”
- **Delivery-** double-walled shipping box designed by UPS so your stools are not damaged in transit
- **European Beechwood-** all items are 100% European Beechwood, a premier commercial wood
- **Hand-Wiped Stains-** each piece has been hand finished to prevent clumping or uneven stains  
→ every chair and stool goes through a five-coat staining process
- **Kickplates-** all barstools come with brass kickplates to protect your stool’s footrest  
→ chrome kickplates are also available upon request
- **Mortise & Tenon Joints-** all bar stools and counter stool feature this unique joint for extra strength and durability
- **Nylon Glides-** won’t scratch delicate floors (felt glides available on request)
- **Vinyl Lacquer-** a scratch will not break the surface of the lacquer, it bends instead of breaking
- **Wood and Fabric Samples-** available online at [www.Holsag.com](http://www.Holsag.com)  
→ simply click on the “Contact” tab and then “Request a Memo Sample”
