

LAMINATE FLOORING

FLOOR CARE AND WARRANTY GUIDE

CARE INSTRUCTIONS

For ALL Laminate Flooring Installations

Routine cleaning

- Sweep or vacuum using the wand attachment, then follow with Armstrong recommended floor care products. The Armstrong® Hardwood & Laminate Cleaning System kit (S-304) contains a swivel head mop, washable mop cover, and an Armstrong Hardwood & Laminate Floor Cleaner* (S-302) spray bottle.
- In very sandy areas sweep or vacuum more frequently.
- For spills or wet areas, **immediately** wipe with a cloth or sponge and clean with Armstrong Hardwood & Laminate Floor Cleaner*.
- Laminate Flooring, like other types of smooth floors, can become slippery when wet. Allow time to dry after cleaning.
- Do not use soap-based detergents or “mop and shine” products, as these may leave a dull film on your floor.
- Do not wax or polish your floor.
- Do not use abrasive cleaners, steel wool or scouring powder that can all scratch your floor.

Tough spots

- Remove tough spots like shoe polish, tar and asphalt driveway sealer with nail polish remover containing acetone**. Then wipe with a damp cloth.
- For other stains, please call Armstrong Customer Relations and Technical Services, at 1 800 233 3823.

Protect your beautiful new floor

- Place a natural or colorfast mat at outside entrances to collect tracked-in dirt and absorb excess moisture.
- For added indentation resistance, use Armstrong floor protectors on chairs and other furniture. The heavier the item, the wider the floor protector should be.
- You may purchase Armstrong floor care products and floor protectors at your local flooring retailer.

High-moisture areas

For all installation systems, it is generally a good idea to use 100% silicone caulk in areas of rooms where excessive moisture may be present such as at sinks, dishwashers, icemakers and around pipes.

FULL BATHROOM INSTALLATIONS

- 100% silicone caulk must be used around the entire perimeter and 3/32” bead of glue on the top of the tongue only. Full bathroom installation for residential use only.

*  **WARNING** Eye & Skin Irritant – please follow instructions on label.

** May be combustible/flammable; please follow instructions on label.
