**A 650 Heated 20" Bird Bath With EZ-Tilt™ Deck Mount**

150 Watts, 120 Volts

- Weather-Resistant Plastic
- Bird-Friendly Design
- Thermostatically Controlled
- EZ-Tilt Deck Mount Included
- CSA Listed
- Three Year Warranty

This plastic, stone-colored heated bird bath is designed to keep water ice-free all winter long. It is thermostatically controlled and tested to -20°F. The gentle slope with strategically-placed seam makes it easy for birds to perch to drink. The bath is 20 inches in diameter and will not crack during cold conditions. Also available in an unheated version (Model 645).

The unique, patented EZ-Tilt Deck Mount included with each unit allows easy mounting to a wooden deck rail.

**B 75 EZ-Tilt™ Deck Mount**  
Steel with Black Enamel Finish

- Patented Hinge Design
- Easy to Tilt and Clean
- Mounts to Deck Rail or Pole

This simple but durable mount firmly attaches select Allied Bird Baths to deck rails. Unique design easily tilts for cleaning or removal of the bird bath.

**C 14B Heated 14" Bird Bath With EZ-Tilt™ Deck Mount and Pole Mount**

70 Watts, 120 Volts

- Weather-Resistant Plastic
- Thermostatically Controlled
- EZ-Tilt Deck Mount Included
- 24" Pole Included
- CSA Listed
- Three Year Warranty

This stone-colored heated bird bath is a convenient size for apartment dwellers or anyone desiring a smaller bird bath. It is thermostatically controlled and tested to -20°F. It comes with an EZ-Tilt Deck Mount and a 24" Pole Mount.

Made of weather-resistant plastic, the bath will not crack during cold conditions. It is 14 inches in diameter. Also available in unheated version (Model 13B).

**Warranty**

All of our products are fully warranted against defects in workmanship for a period of One Year from the date of purchase, unless otherwise noted.

**D 970 Heated 20" Bird Bath With Stand**

150 Watts, 120 Volts

- Weather Resistant Plastic
- Bird-Friendly Design
- Thermostatically Controlled
- Metal Stand Included
- CSA Listed
- Three Year Warranty

This beige-colored, plastic heated birdbath is thermostatically controlled and tested to -20°F. The gentle slope with strategically-placed seam makes it easy for birds to perch to drink. The bath is 20 inches in diameter and will not crack in freezing weather. Also available in unheated version (Model 850).

A sturdy, weatherproof metal stand is included. The top section of the stand may also be mounted to a deck rail.

**E 89 Metal Stand for Allied Bird Baths**  
Steel with Black Enamel Finish

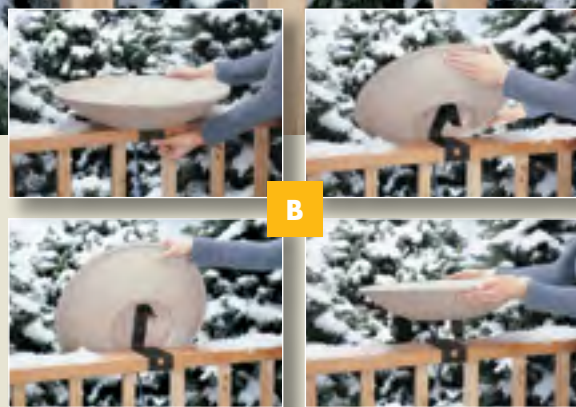

- Sturdy Yet Lightweight
- Fits All Allied 20" Bird Baths

This sturdy, metal stand supports a ring that accepts any 20" Allied bird bath. The upper section may also be mounted to a deck rail.

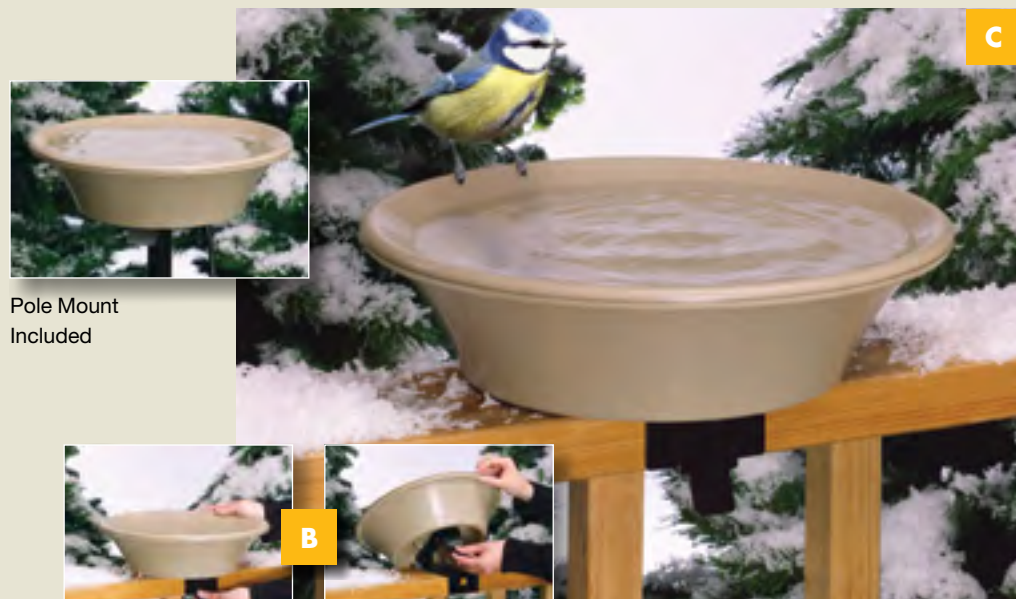

**E**

The unique design of the EZ-Tilt™ Deck Mount allows the bird bath to be easily tilted and lifted for cleaning or storage.
