- Prevents Disconnects
- Secures Any Power Cord
- Water-Resistant Connection
- Economical Weather Protection

The ClickShield Cord Lock is the fast and inexpensive way to weather-proof any power cord, while also eliminating irritating and dangerous disconnects. This durable all-weather plastic shield has a unique ratchet mechanism; when you hear the 'click,' you know it's securely locked. The internal gasket assures a water-resistant electrical connection.

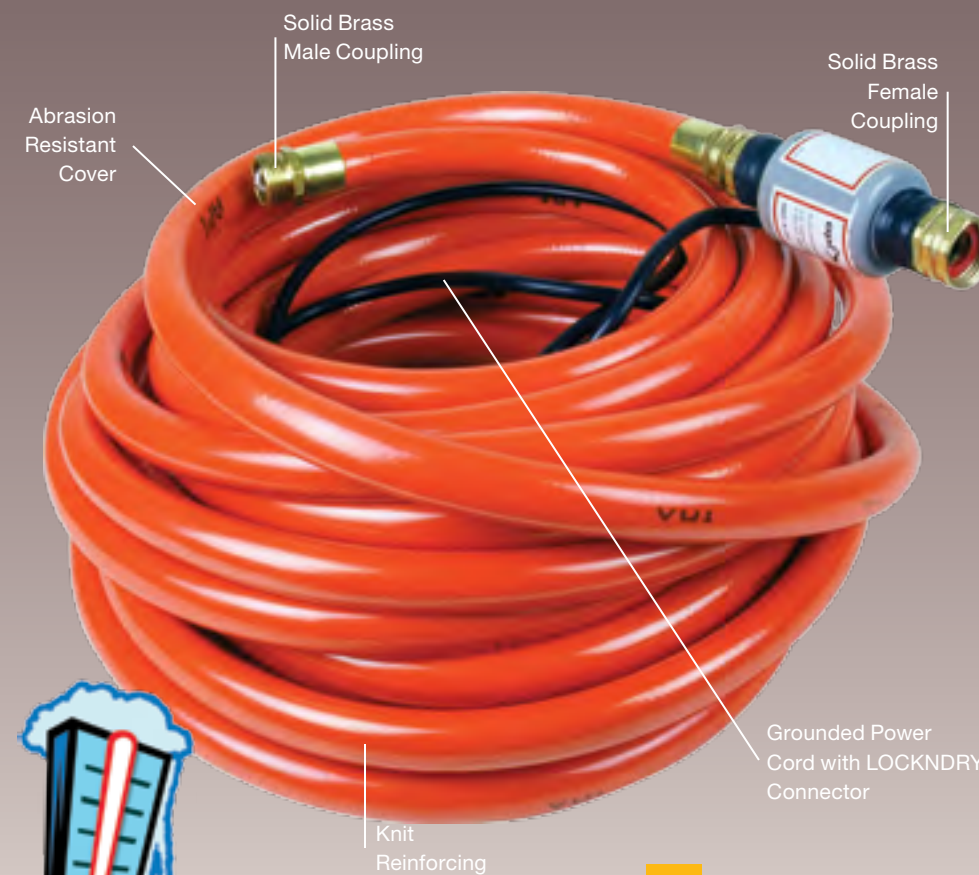

The ClickShield is great for Christmas lights or other electrical holiday yard decor, power tools, or outdoor equipment of any kind. ClickShield is the essential outdoor electrical accessory.

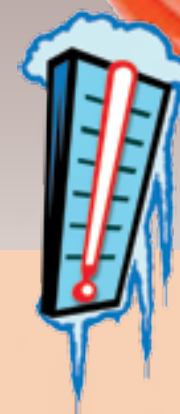

B Heated Hose

- H25** 180 Watts, 120 Volts, 25 ft.-
- H50** 360 Watts, 120 Volts, 50 ft.

- Cold Weather Water Hose
 - For Tasks Requiring Running Water In Below Freezing Temperatures
 - Thermostatically Controlled
 - One Year Warranty
 - Quality 5/8" Diameter Hose
 - Brass Garden Hose Fittings
 - FDA Approved Materials for Potable Water
- This cold weather water hose is excellent for tasks requiring running water in below-freezing temperatures. It features a high-quality 5/8" hose with standard brass garden hose fittings and is thermostatically controlled for energy-efficient operation. It can be run continuously or simply plugged in when needed.
