ASSEMBLY INSTRUCTIONS

CAUTION: *At least two adults are required to safely complete performing this task. Other lifting attempts may risk back injury due to large and heavy part(s).*

- 1** Pull out seat cushion until the rollers reach the end of the track.

- 2** Hold back support upright while another person secures it into place with two bolts and a washer on each of the three hinges.

3 Restore seat cushion by pushing back into place.

Ensure using your unit with the cushions over back support in sofa positions.

CONVERTING TO BED

Carefully pull out seat until rollers reach the end of the track.

Carefully drop down backrest into a bed/flat position.

IMPORTANT

In bed position, ensure both support legs are extended out.

Locate and press button
then pull the legs out.

Use pillow cushions for added comfort.
(Reverse steps to return to sofa position).
