Straddler Bolster Chair

Back2Go Back Support

Item #	UOM
SD 2000	1/bx

Designed as a seating choice for individuals whose legs tend to adduct. It promotes sitting in an upright position, increases the hip-to-back angle and permits the pelvis to tilt anteriorly. It assists with sit-to-stand activities and encourages independence in getting on and off the chair.

- Height-, depth- and angle-adjustable seat.
- Height adjustable in 5 increments.
- Width-adjustable pelvic stabilizer.
- Pelvic belt.
- Knee pads.
- Lower leg retainers provide feet and lower leg alignment and can be lifted if not required.

specifications	
Seat Depth	13.5" - 19"
Seat Height	9.5" - 16.5"
Weight	12.5 lbs.
Distance Between Laterals On Stabilizer	5" - 9"
Carton Shipping Weight	15 lbs.
Weight Limit	75 lbs.
Warranty	Limited 2 Years

Item #	UOM
CRB 2000	1/bx

A lightweight padded back support promotes improved posture and trunk control. It securely straps to chairs, wheelchairs and strollers.

- Contoured back maximizes support and comfort.
- Two-strap system with buckle closure secures back support to an existing back surface. Straps can be stored in back pocket when not in use.
- Removable lateral supports are individually height and width adjustable.
- Zippered vinyl trunk harness in an H configuration for anterior chest support.
